   Subject: Request for Review: Mobile App Wireframe v3

   Dear Mr. Alex,

   I hope this email finds you well.

   As the UI/UX project assistant, I have attached the latest document, Mobile App Wireframe v3, for your review. Could you please provide your feedback on the navigation structure and overall user flow? We want to ensure the user experience is smooth before moving to the next design phase.

   Please send us your thoughts by September, 26 at 9:00 AM so our design team can proceed accordingly.

   Thank you for your time and guidance

   Best regards,

   Nayunda Krisna
